Liberated Childhood Movement

Letter No. 63/LCM/09

Date: 20/03/2009

To

Mr. Rabinendra Nath Sathy,
(MRDC)

Sub: *Call for Nomination for Defenders of Child Dignity Award, 2009*

Dear Madam/Sir,

Greetings from LCM!

As you know, Last year 2008, LCM had introduced 'Award for Defenders of Child Dignity' to laud and recognize the efforts of the Defenders for their exemplary display of courage and battle against all odds to liberate children from the confinement of economic and physical exploitation by their employers. Three such Defenders were felicitated in the public meeting held as part of observance of Anti-Child Labour Day on April 30 last year. As a token of our humble appreciation of their heroics, each year LCM will be honoring and felicitating such great Defenders of Child Dignity for their outstanding contributions. The LCM felicitation package consists of a nicely designed brass medallion of LCM, a citation in recognition of the Defender's contributions, a shawl, besides a cash award of Rs. 10,000. This year, the felicitation programme is scheduled to be held on the Anti-Child Labour Day on April 30.

We request you that if you know anybody, who has rescued or ensured liberation of child labour from the confinement of prohibited occupation or service and done a commendable job in fighting against the child labour practice and system in any form in our State, between January 2008 to February 2009 kindly nominate for the Defenders of Child Dignity Award given by LCM on or before 15th April, 2009. A copy of "Call for Nomination" is attached from which eligibility criteria can be understood.

Such a Collective Responsibility among individuals may bring some actual change in the lives of children all across the period of childhood and entails freedom from all forms of exploitation and abuse. Looking forward for your kind cooperation and positive response in this regard.

Thanking you.
Sincerely Yours.

Bikash Das.

Dear Mr. Sethy,

Sub: Invitation for OMDSS Training on 30-08-03 at Deepti Bhavan, Kuruda

It is our pleasure to invite you to the OMDSS case definition training programme to be held on the 30th August' 03 between 2 P.M. to 4 P.M. at Deepti Bhavan, Kuruda, Balasore. This programme has been decided on the date of sensitisation training held at the same place on 30th July. Sister Tesina, President, OCHA (Balasore DU) has agreed to inform those who could not come to the OMDSS sensitisation training on 30th July.

Trainers from the Public Health Authorities of the government would take the training. This would facilitate subsequent activities for linking with the government health programmes such as TB, Leprosy. This entire process is being facilitated by WHO/UNDP. CDMU is the NGO co-ordinating agency for the programme and linking activities.

You are requested to bring the OPD register / one page photocopy of your OPD register, PHC address for the purpose.

We are yet to receive the consent form for giving surveillance information from your health facility. We would be verifying the Form II and consent form at the training venue.

Thanking you,

Yours Sincerely

Subimal Panigrahi
Chief Executive

IMOPORTANT: Those interested to register themselves with Orissa Nursing Council (ONC), may bring photocopy of your nursing certificate and a letter to ONC expressing your desire to be registered.

Dear Sir/Madam,

It is my great pleasure to inform you that an "International Seminar on Downsizing Technology for Rural Development" is being organised at Regional Research Laboratory, (CSIR) Bhubaneswar, India, 7 to 9 October 2003.

The seminar proposes to bring out various downsized appropriate technologies available all over the world today, which can be propagated and adopted for improving quality of life and promoting sustainable development in rural areas of developing countries. We shall bring out proceedings for the papers, and CD covering technology profiles of successful appropriate technologies developed by various organizations, which will be distributed among the participants. An exhibition "RURALTECH" on different appropriate technologies for rural development will be organised during the seminar

I would request you to kindly attend and depute your colleagues interested in this regard to participate in the seminar. The seminar will give an opportunity to exhibit your successful technologies and interact with scientists, engineers, innovators, planners, propagators, policy makers, NGO, industries and users in an international level.

You can register online at our website and also submit abstract of your paper online, if you are interested to present your paper in the seminar. For further details follow the links below. We would request you to promote wider circulation of the seminar among your colleagues, fellow scientists, NGO, users, or anyone interested in the topics of the seminar. This will enable effective participation and presentation of papers.

For further details please visit the webpage of the seminar at
